Guidelines

Fire Evacuation

In all sports areas you will find a break glass call point by the Emergency exit doors, if you discover a fire on any scale these are to be broken to sound an alarm.

In these areas we do not have telephones so can you please ensure that the person in charge of the letting has use of a mobile phone to be able to call the fire brigade. You also need to contact the school on 07504 803140 to notify them of the fire.

On calling the fire brigade they need to advise they are calling from:-

The Brakenhale School
Rectory Lane
Bracknell
Berkshire
RG12 7BA

Emergency Evacuation Procedures: - all personnel in all areas need to vacate to the Tennis Courts to the rear of the school. Once you arrive at the Assembly point you need to complete a roll call of all personnel in your party.

One responsible person needs to wait by main gate to direct and advise the fire brigade on arrival.
