We are a friendly school, with a firm commitment to providing professional development opportunities for our staff and a passionate belief that every student in our school matters. We are very excited that we are full for September 2018 with our Year 7 cohort for the third year running, the school has not been in this position for decades and is testimony to its rapid turnaround. Our vision is that Brakenhale School is an outstanding comprehensive school that is regarded by our local community as their secondary school of choice. Our recent examination results have improved again this academic year which is shown clearly with our A Level results which were one of the best in the local area. This is a true reflection of our continuing progress.

Our Maths A*-C GCSE results have increased over the last two years placing us above national average. Our A*-A GCSE results have doubled during the last two years.
