Year 10 News

Friday 24th November 2017

Dear Year 10 Students

With a week since your outstanding parents evening, now is the time to start implementing your strengths and improvements. During tutor time we will be focussing on your areas of improvement in order to help you through year 10. It is vital you take responsibility for your own improvements in order to pave the way to a successful year 11. Seek out teachers if you need further clarification, be assertive in building your future - what you do now will help you in the long term.

Last week your attendance slipped to 94.6%, however 10A and 10B both had over 97% attendance, with 10A maintaining their lead at the top for a second week in a row. Well done to all of you who have maintained your 100% attendance score, I hope not to see a drop between now and the Christmas break. For those of you below 95%, every day in school counts!

Assembly this week allowed the delivery of an important message from PC Hillman and his team. We all want you to be safe online and with each other, so please think twice before sending that photo on. You cannot be certain where that photo will go so it is vital you ensure your privacy is respected not only by yourself but others. The police were very clear with their message - sharing of photos without consent will not be tolerated and will immediately involve police action.

Next week you have a busy week of litter picking, PSHE and your RS exam. Please check the weekly plan so you can be prepared for the week ahead. Preparation is really important to keep you focussed for the next week.

Once again, I would just like to say how proud you all made me this week. Have a lovely weekend, rest up and enjoy yourselves.

Kind regards
