Year 7 News

Friday 15th December 2017

Dear Year 7 Students

What a fantastic first term! Who would have thought it has gone by so quick? We are so pleased of the progress made by so many of you. Some of our highlights of this term include students competing in their house competitions, students becoming ambassadors of the school and of course, all the extra-curricular activities you have completed this academic year.

A massive amount of congratulations goes to the student ambassadors who helped at the music show this week! We heard lovely feedback from parents about how smart you all looked and how polite you all were. We hope to see the Christmas spirit of kindness and giving to continue over the holidays and in the New Year. Please think how you can bring a smile to someone's face by doing something nice for him or her. Maybe you can even do the dishes at home all over Christmas. I know a number of parents would be very happy with this.

We will be welcoming you back on Wednesday 3rd January. Please check that your school uniform is clean and that it follows the school policy, including your shoes so that you are ready for uniform check in tutor time. Check your tools for learning, count those 3 pens, pencil, sharpener, rubber, as well as protractor and scientific calculator, not forgetting, glue stick. Hopefully, you have some new books you can read during tutor time, I know your tutors always do a lot of reading over the holidays. Why not try a new genre of book?

It is a new term, so can your attendance better last terms? Try to come in every day and see if you can gain a reward from our head teacher, Ms Coley. Remember there are extra special awards by the end of the year. Homework club will start the following week when you come back, but the LRC will be open every day, before and after school with Mrs Daniels and her team there to assist you

The English department have told us that you will be studying a book called 'A Monster Calls'. It has the theme of bullying as well as the bereavement of a parent due to cancer. Please talk to your family members about this, and to your tutor if you need more support regarding these issues.

Have a fantastic holiday and we really hope you all have a Happy New Year and are looking forward to welcoming you all back for term 2 at Brakenhale.

Regards

Mr M Cooper
Head of Year 7
