Attendance last week: 91.1%

Dear Year 11 Students

A massive well done for an incredibly positive week- overall your behaviour has been outstanding and we are very proud of the way you have settled back into lessons.

Attendance last week was below the school target of 95% so we are having a real push this week to ensure that all students get into school to make the most of their learning time! Remember, we have a nurse on site and you can visit her if you are not feeling 100%.

On Thursday morning, we had assembly with Mr Gibson about the changing nature of our world and he gave us much food for thought on how rapidly it is developing. It is so important that you ensure you are progressing and not being left behind; make sure you always work towards bettering yourself.

Many of you have been enjoying the changes put in place by the school at break time and lunch time - an enormous thank you to Mr Gibson, Mr Beukes and Mr Hayward who have been supervising the games room so you can be inside, having fun in the warmth during these colder months!

The deadline for sixth form applications and Prom have passed - if you have missed these, come and see myself or Mr Beukes to discuss this.

Keep up the great work Year 11; looking forward to another successful week!

Many thanks
