Year 10 News

Friday 25th May 2018

Dear Year 10 Students

Well done on reaching half term!! We have had a great week with your final RS exam and an introduction to your future careers. We know as a year team how much hard work the vast majority of you have put into revision for your exams. In addition to RS some people have also had Italian exams to revise and complete. A massive well done for coping with the increased workload. You can all breathe a sigh of relief, you have all completed your first official GCSE exam!

On Tuesday, you were fortunate enough to have the team from DHL come in to deliver a CV and interview masterclass to you all. This was a great opportunity to find out what business are looking for in terms of CVs, applications for jobs and interviews. Key messages coming out of this were:

- take opportunities in school and out of school to boost your CV
- be professional in your appearance
- focus on the pathway you want to follow when you leave school

On the 27th June you will be interviewed by a range of employers from local businesses. Your CV will need to be completed before this date. Please use the information pack that DHL provided in preparation for your interview.

In addition to this please ensure you are taking all opportunities such as those of you who are interested in the animal sciences. There is a free summer school but would be up to you and your parents to organise. Take a look. <https://www.studyhigher.ac.uk/event/animalscience?eid=252>

Please look at the key dates that are coming up, we have the year 10 revision evening on the 12th June. This is an excellent evening to find out about the range of revision techniques that may help to improve those grades.

Finally, Thorpe Park!! Please make sure you get your payments and forms in as soon as possible, this will be a great way to celebrate the end of year 10!

See you all on Monday 4th June.

Kind regards

Mr N O'Donoghue
Head of Year 10
