Year 10 News

Friday 8th June 2018

Dear Year 10 Students

The theme for this week was kindness. Not only being kind to others but also kindness to yourself. Ms Coley used the example of Mother Teresa, her selfless acts of kindness to help others in need. We want to promote this message as we know the vast majority of you are kind and it's important that we recognise this. In addition to this, Ms Coley promoted the new Brakenhale water bottle (£2 from the print room), this is a great opportunity for us to be kind to the environment through limiting our use of single use plastic. We also have blue wheelie bins around school for plastic recycling, please make sure you use these to recycle and be kind to the environment. Be kind to yourself by ensuring you are drinking enough water throughout the day - dehydration can cause a 25% drop in performance!

From now on, we will be having tutor time in the computer rooms, this is a great opportunity to get your CV completed, practice interview questions and complete homework. We are having a massive push on homework and need to make sure you are checking Show My Homework daily. This is important in the lead up to year 11, you will not only be getting homework but also revision for exams. It is great to start getting in the practice of managing your time and workload.

On the 27th June you will be interviewed by a range of employers from local businesses. Your CV will need to be completed before this date. Please use the information pack that DHL provided in preparation for your interview.

In addition to this please ensure you are taking all opportunities such as those of you who are interested in the animal sciences. There is a free summer school but would be up to you and your parents to organise. Take a look. <https://www.studyhigher.ac.uk/event/animalscience?eid=252>

Reminder that the revision and information evening has been moved to September, the new date will follow shortly. Please keep checking the weekly plan and key dates attached.

Finally, Thorpe Park!! Please make sure you get your payments and forms in as soon as possible, this will be a great way to celebrate the end of year 10!
