## Year 8 News

Friday 22<sup>nd</sup> June 2018

Dear Year 8 Students

This week's house assemblies were to kick start the preparations for Sports Day 2018! Well done to those champions who have already signed up for various sporting events. If you haven't done so already, speak to your Year 8 House Captain before your event is taken. Remember, teamwork wins championships! Let's see how many of you will be able to keep up with me this year!!

This week was standards week. I have been really impressed with the record number of gold tickets that Year 8 managed to amass. Well done to you all. Remember we do not have to be doing standards week for you to maintain the high standards we are now accustomed to seeing within the year group.

Remember we need to look after our environment. One of the ways to do this is through recycling. Make optimum use of the blue plastic bottle recycling bins strategically placed around the school. Please ensure that all your empty plastic drink bottles are disposed of in the appropriate way as we do our part to protect the environment. Brakenhale reusable water bottles are now on sale at a reduced cost of £2. Please get yours from the school office. **We have the last three tutor groups on litter picking duty for the year. 8E, 8N, 8H it's now over to you!**

The temperatures are set to soar next week (Summer's finally here!). Do make sure you are hydrated so get a refillable water bottle and you may want to consider freezing your water overnight to have a cool drink during the day.

With three weeks already done, remember to make sure that every day of learning counts.

Best wishes

Ms S Douse  
Head of Year 8
