Year 9			
Theme	Choices	Skills	Skills
Name	GCSEs... Choices, choices	What makes a great leader?	Independence
Description	This session explains how students can use Unifrog to help them make great choices at GCSE level.	In this session, students will identify what they think makes a great leader, watch a short TED talk (Everyday leadership by Drew Dudley), and record examples of when they have been leaders in the Competencies tool.	Students have a better understanding of what independence is and what it means to them. Students will record an example of when they've been independent in the Competencies section of their Unifrog profile.
