

Dear Parents/Carers

This has been an incredibly busy week which started on Monday with the BBC setting up camp for the day. I would like to thank all of you who have sent in emails of support and have shared and liked our social media posts, it really does mean a lot to myself and Miss Loj. The campaign is continuing behind the scenes with further meetings with the media and I will update you as soon as I hear any news. Hopefully, all our efforts will lead to the overturning of this decision.

Our bronze Duke of Edinburgh trekkers had a great day out on Saturday and came back suitably tired and grubby! Our LRC Manager who supports the Duke of Edinburgh trips, quoted how incredibly proud she was of our students, they did not complain, worked really well in their teams and even surprised the leaders with their behaviour and organisation! They socialised really well together, were up at the crack of dawn quietly packing up and we managed to leave on time, which is definitely a first! Well done for representing yourselves and your school so beautifully.

Finally, GCSE examinations are all finished! We have celebrated this week with the Year 11 leavers' assembly on Tuesday, followed by the Prom on Thursday. The students were able to say goodbye and to let their hair down. They had an amazing time and all looked fantastic at the Prom. It was without doubt the best prom that I have attended in the last 15 years. The venue itself, Easthampstead Park Conference Centre (EPCC), was a perfect setting and the positive attitude and manner in which the students interacted from the moment they arrived was incredibly impressive. So much so that they staff at EPCC said that they were the best group of students they have ever hosted.

The beginning of the week saw the Transition day for Post 16 and all of the students who visited us thoroughly enjoyed the presentation given by Mr Duffy. We had some really great feedback. The students were able to get to know the Sixth Form and the staff who will be involved with them. It was the biggest turn out that we have ever had at Post 16 as students really understand the high quality education that they will receive with us.

Wednesday saw our Year 10s having a break from their Pre Public Exams examinations to undergo some interviews of their own. A range of people from various backgrounds visited the school and very kindly interviewed students. We tried very hard to match students to their preferred career path. The visitors were extremely impressed with how mature and presentable our Year 10s were. The students seemed to really appreciate the event and were very excited by the opportunity it gave them. They also looked incredibly professional and were real ambassadors for #TeamBrakenhale.

Next week, we have a number of events taking place. On Monday, we are holding an Art, Photography and Technology exhibition after school so please come along. Students have been working hard putting together some great pieces of work for display in the main hall.

On Tuesday we are holding a meeting about the World Challenge and any parents of students who are interested are invited to attend.

Wednesday and Thursday we will be holding our transition days for our Year 6 students who will be joining us in September. This will allow the students to get a feel of the school and take part in various activities. Their new tutors will be available to talk to them and this will enable them to allay some of their fears. On both evenings we will be holding a parents evening to allow our new parents to come in and chat through any concerns that they may have.

Our Golden ticket last week was another great success and the final total of tickets issued was 1491 which is fantastic. Students please keep this great stuff up!

Drab and fab comments this week are:

Fab:

- Student voice of year 7 students stated ‘we feel safe – the nurse is good and the teachers are supportive, we like English for the fast recall tests, Music is great! The Bridge and SSC are very good.’
- Massive thanks and great idea to allow students some relief from the predicted hot weather next week with relaxed uniform rules – I’m sure the students will really appreciate this.

Drab:

No comments were received this week.

Staff member of the week is:

Miss Danset-Sales - because she has helped me to revise for my French exam but also gave me the confidence boost to be proud of myself no matter what the end result is. Thank you Miss Danset-Sales, you are a real credit to Modern Foreign Languages.

Student of the week goes to:

Archie Kumar – for being a great ambassador of Brakenhale School. Archie took part in the BBC filming on Monday and then spoke passionately to parents of Year 5 students about the work he is doing in school.

The motivational quote for next week:

‘Good, better, best. Never let it rest. ‘Til your good is better and your better is best.’

Finally, can I please remind parents and students to be courteous when parking, arriving and leaving school. We have had feedback from the Community centre about parents parking there. Unfortunately, we are not allowed to use the Community centre to park in.

My best wishes

Jane Coley, Headteacher

Year 10 Mock Interviews

Thank you so much to all the volunteer interviewers from local companies who came into school on Wednesday to conduct mock interviews with our Year 10 students.

Mrs Forde, Administrator

Parking

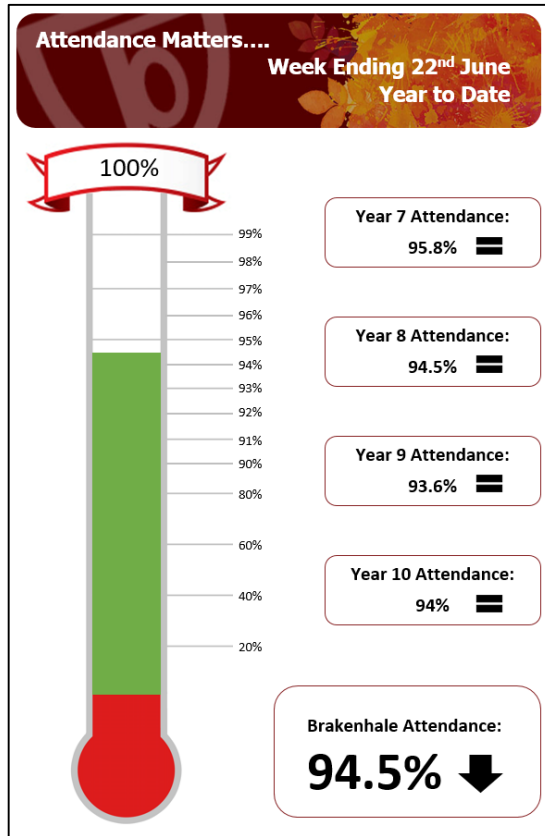

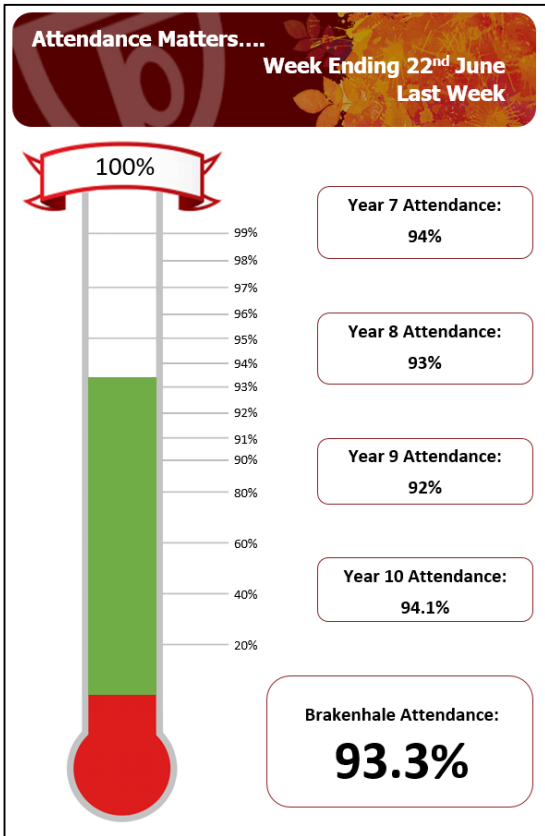

We've had a number of complaints from residents in Rectory Close regarding parking at the end of the day and there have been some heated exchanges. Please can we ask that you respect the surrounding community, do not block drives or pavements and try to spend as little time as possible waiting for your son or daughter. The building works have put pressure on the roads on the Eastern side of the school site and we want to maintain positive relationships with all members of the local community

Many thanks for your support in this matter

Mr Hartley, Deputy Headteacher

Attendance

Please find below our attendance figures for last week and the Year to date.

Miss Shill, Attendance Officer

Farewell Year 11

Year 11 students collected their Leaver Hoodies on Friday following one of their last exams. These bespoke hoodies are a great (and colourful) way of commemorating their five years at Brakenhale since Year 7.

This was followed by their Leavers' Assembly on Tuesday. It was really lovely to see so many parents and staff there to celebrate the achievements of the year group and sign shirts.

Finally the highlight of the Year, the Year 11 Prom, took place last night in the stunning setting of Easthampstead Park. The Year 11 students did themselves proud and all looked fantastic in their beautiful dresses and sharp suits. It was a wonderful evening that the students enjoyed tremendously, and we know they appreciated the chance to say a few more goodbyes, and celebrate the end of their GCSEs. Little touches like the sweet stall and '2018' balloons made it a memorable night.

We would like to remind you that donations of school uniform including PE kit, ties and house badges would be gratefully received and can be left at main reception.

Dance News

Professional dancer Harlan Rust delivered a series of dance workshops last Thursday and Friday for Year 7 and 8 boys, Year 9 and 10 exam groups and our Sixth Form Dance students. The workshops included a range of physically demanding work that students worked hard to master and explore. Feedback from the students was really positive and we hope Harlan will return to work with the department next year. He sent us the following feedback -

'I had such an amazing two days with the students from Brakenhale School. The students' commitment and vigor in tackling new and challenging tasks was incredible and there are certainly some future dancers walking these halls'

- Harlan Rust (Professional Dance artist)

Miss Haley, Head of Dance and Drama

Maths Day

10 Year 8 students went to Guildford County School on Thursday for a day of Maths.

Workshops included mathemagics and crypto maths and their exemplary behaviour was only outshone by their total focus and engagement throughout the day!

I was so proud to be attached to such an inspiring group of young people - a very proud day!

Duke of Edinburgh Bronze Assessed Expedition

We took 30 students on their Bronze Assessed expedition at the weekend and it is the most successful expedition we have had. The expedition staff and assessor were extremely complimentary of our students and the specifics mentioned include:

- General resilience
- How students tackled the physical demands of the walking
- Very impressive camp craft
- Cooking good meals - the hot dogs were an instructor favourite
- How well behaved and respectful the students were in the evening and morning
- Other campsite conduct
- A speedy strike down of camp in the morning - so impressive as it is so rare for all groups to leave on time
- Despite a few errors in navigation, students could identify where they went wrong and remained upbeat despite challenging walking areas

We have never been prouder to announce that all 30 have passed their Assessed expedition and we both hope that every single one of them consider applying to undertake their silver award with Brakenhale next year.

We would like to say a huge thank you to parents as well. You have supported the students brilliantly, taken them to and from expeditions, encouraged them to complete their other sections, bought necessary kit and taken them food shopping last minute when they've surprised you with bits they have to get.

Highlights of this weekend for us include the enjoyment the students had without their phones, playing games in the woods and sitting around a campfire, cementing friendships and supporting each other in times of challenge and surprising themselves in their accomplishments.

Congratulations to all!

Mr Hicks, Duke of Edinburgh Manager

Mrs Daniels, Duke of Edinburgh Leader

PE News

This has been another busy and very hot week for the PE department.

Just a reminder if this nice weather continues, please bring water bottles out to PE lessons and bring in appropriate kit (i.e. shorts and skorts and not leggings and jumpers)

Athlete of the week

This week we had a tough decision deciding who was going to be athlete of the week. Of the 3 students in contention we couldn't decide who to give it to so we decided to give it to 3.

- Emma Warner - for winning her Javelin throw at Edgbarrow and an excellent performance in 300m.
- Jay James - for his performance in the Year 10 cricket game. Jay was the only Year 8 to play and he took 3 wickets and was not out in bat.
- Callum Harding - for coming second in javelin in his first ever competition representing Brakenhale.

Well done to all of them.

Fixtures for next week

- Thursday 5th July: Year 7 and 8 Rounders v Garth @ Brakenhale District Athletics for 4 students who made it through to the county round.
