

Parent News: Friday 13th November 2020

Dear Parents/Carers

We started the week by appointing our much sought after positions of Head Students. Dragos Popa and Miriam Amponsah were delighted to embrace their new role and started with the first event at the Sixth Form Open Evening which was held last night. This was a really informative event at which Mr Duffy spoke passionately about the Brakenhale Sixth Form and the endless opportunities it gives. Over 200 people watched the presentation so we are looking forward to receiving lots of applications! Please do remember to go onto the website to watch all the department videos and read about what we have to offer in our extensive curriculum.

The highlight of the week was the incredibly thought-provoking commemoration of the fallen as we showed our respects to those who lost their lives and those still serving in the armed forces during a Remembrance event. The CCF, led by Mr Bury, stood to attention in the courtyard while other students involved in various cadet groups wore their uniforms with pride. Victoria Thompson bravely played "The Last Post" and "Reveille" on her trumpet to the whole school over a virtual link to mark the beginning and end of the 2 minute silence. The entire school took part in this, including standing to show their respects. As part of this event our History department, led by Miss Bunkell, created a poppy wall in the main corridor near reception. Many students contributed to this, including a wonderful poem by Sarah Louise Jenkins in Year 7. Staff stayed late on Friday night to ensure this was completed for display this week. Thank you to all of those who gave your time.

Ms Douse has been organising food donations for the Kerith Centre Food bank. Details of how to donate to this can be found further on in parent news. Lots of students have been selling raffle tickets and a big thank you to everyone who bought them. Really big thanks in particular to Casey McCrorie in Year 9, who raised over £100 doing this, what a great achievement. The funds go directly to the school and really help to support the students' education.

Our students continue to demonstrate how they think of others in various ways including Larrissa Bolog who in addition to working hard always steps up to help. Most recently she took costumes home to sew for the Performing Arts department.

This week has really shown us how, even during tough times, people are thinking of others and within #teambrokenhale there have been so many examples of kind and thoughtful behaviour.

Student of the week:

Victoria Thompson Year 10 - for her wonderful trumpet playing for our Remembrance event in front of the entire school, she showed such bravery and calm.

Fab:

- Our son really enjoyed Miss Shan lesson. Passing his 'driving test' on a sewing machine! Thank you for making the lesson so engaging.
- A very informative parent newsletter each week and a great website also full of information. Thank you.
- Samantha Best and the rest of admin staff are legendary in what they do. Thank you for being responsive, dedicated, caring and professional!
- I think the way cadets is organised has been amazing with the support of the involved staff, I love it so much and I love going. I think it's great that it's supporting all walks of life whatever we choose.
- Fantastic newsletter each week. Appreciate all the notifications every week in this as we often forget things so always fall back on the newsletter for most things we need to check or know on a regular basis. Thank you.
- Standards week, what a wonderful thing. Thankfully golden tickets all the way so far but if our children need to be reminded about uniform or other standards then so be it. We hope this will be done again.

- Good to be able to have the opportunity to support school funding through clothes collection which we have recently donated in, recent raffle tickets sold and also through the school lottery which we have supported for a while.
- Everything we need to know in the weekly parents' newsletter and more. Thank you for all that is added and for putting this together every week.
- Fab for all students to have the opportunity to contribute in Brakenhale Character BHM and our children look forward to future events in character challenges.
- Pleased in secondary school you still have an active house system for students to be part of. Makes a big difference for them to have something else to focus on. Great to see results in parent news so we are able to encourage them and support.

Drab:

- I have a concern about the stair wells, I have been told many times now by my son that he has nearly been pushed down them due to it being 'carnage'?! This is worrying under normal circumstances but when we are trusting you with our children especially during a pandemic and are assured by yourselves daily that social distancing is taking place it is very concerning. According to my son all the classes are let out at the same time? If this is the case again, very worrying, please could you clarify?
Break and lunch times are split in order to ensure that students remain in their year group bubble. During lesson changeover staff are on hand to ensure that students remain in their bubbles and behave appropriately. I can assure you that it isn't carnage. We continue to do our best to keep all staff and students safe during this difficult time.
- We have also received 2 additional comments about the toilets this week, the same response is that which was given last week. If you would like to discuss further please contact me directly.

Staff member of the week:

Miss Lawry She is very helpful and kind. She is always supportive and tries to help in any way she can. I'm glad she's my teacher.

Miss Rendall Always kind and caring.

Ms Coley I would love for Ms Coley to be nominated for staff member of the week because she has been such a fantastic Headteacher. Since the beginning of the corona virus pandemic she has tried her best to keep the school safe and to make the school days as normal as possible. I don't think she gets enough praise for the things she has done for our school that she deserves. Thank you Ms Coley.

Miss Lawry She was very supportive when I was nervous about presenting my work to the class.

Mr Beukes I have chosen to nominate him because he has been an amazing cadet leader and role model. Instilling in us the importance of discipline and respect, just some of the many core values of the army and for various other walks in life. He has supported as all, in any way he can, going above and beyond for every single one of us and I am so grateful.

Ms K White Really nice and kind. Fun English teacher and helps when we need it.

Quote of the week:

"The smallest act of kindness is worth more than the grandest intention"

Take care and stay safe!

Best wishes

Jane Coley, Headteacher

Remembrance

Remembrance Day, or Armistice Day, remembering those who have died in wars, was on Wednesday 11th November this week and to mark the occasion all staff and students remotely took part in the two minute silence with a rendition of "The Last Post" to signify the start of the reflection time and "Reveille" to mark the end of the 2 minutes silence, performed by a Year 10 CCF student in the quad.

Our fabulous History department put together a fantastic display in the main lobby. The poppies were made by students in tutor time and they contained personal messages of remembrance.

Students also wrote poetry and presented some lovely commemorative pictures.

Sarah-Louise in Year 7 wrote a wonderful poem for this display.

Character@Brakenhale: Character Challenge

Black History Month saw the first character challenge set for all students at Brakenhale to enter. As part of the launch to our improved house system and character education programme, students were asked to create an artistic representation in celebration of Black History Month. The character challenge combined the values of our Culture programme at Brakenhale of respect for ourselves, others and our communities.

We would like to extend a huge thank you to all students who took the time and effort to enter the competition. All entries were to a very high standard with some amazing representations across all genres of art and culture. Entries were whittled down to a top 5 in which all Heads of Houses and myself combined to select an overall winner. We are proud to announce that the winner of the first ever character challenge is Annie Bates in 7E for her recognition of the vital work Marcus Rashford has done for free school meal students across the country. This was closely followed in second place by Helicia Fernandes in 16N and third place for Charlotte Dickson in 9E. Well done to you all!

All students who entered will receive 2 culture points that go towards their house, the top 3 finalists from each year group receive 5 house points. Annie will receive 10 culture house points for winning the first character challenge for culture - well done Annie!

If you want to be in with a chance to win extra house points on top of those you already receive in class, keep your eyes peeled for our next character challenge!

Miss Rushby, Culture champion

The next Character Challenge will be launched later this half term so watch this space!

Mr Beukes, Assistant Headteacher

Anti-Bullying

Hi, for those of you who may not know me, I'm Mrs Palmer.

I have worked at Brakenhale School since September 2015 within the Student Support Centre and have a real passion for nurture and positive behaviour across the school.

My own children are Brakenhale students and I am passionate about the wellbeing of children. I believe that every child has the fundamental right to feel safe and respected both in and out of school.

In 2018 and 2019 I attended The Diana Award Anti-Bullying peer training with a small group of students. These students formed our voluntary team of young anti-bullying ambassadors. They are all dedicated in the support of their peers who may have experienced bullying behaviours from others.

Students can access support from their Anti-Bullying Ambassadors by clicking on the  icon which can be found on the school desktop. You then only need to follow the steps detailed online, alternatively both parents or students can choose to email me directly at ppalmer@brakenhale.co.uk and I can put you in contact with suitable support.

Students should never feel they have nowhere to turn, we are always here to listen and you will be heard.

Bullying is never okay and no one ever chooses to be a victim.

Curriculum Support Reminders

Lost Property

Please can we kindly remind all parents and students to name all items, including uniform, PE kits, water bottles, pencil cases, other tools for learning - EVERYTHING.

We have a member of staff dedicated to reuniting lost property with owners and she endeavours to return items daily. However, she is unable to return items to students without a name and items will be disposed of at regular intervals.

Email: lostproperty@brakenhale.co.uk

All items of unnamed lost property will be given to charity at the end of term unless they have been collected.

Chewing Gum

We would like to remind you that chewing gum is not permitted on the school site, sanctions will be issued if this is not adhered to.

Mobile Phone Policy

Could we please ask parents to remind students that mobile phones must not be used on the school site at all, this goes for before and after the school bell.

Anyone seen using mobile devices contrary to school guidance will be logged.

Tools for Learning

Student Tools for Learning are sold by Mrs McCrorie from the Head of Year office on the first floor.

Tools for Learning are available to purchase for cash before school from 8.20am to 8.35am and then during tutor time until 8.55am. Please note that they will not be available from the Head of Year office during the staggered break times for the time being. Emergency pencil cases to borrow for the day will also be available from the Head of Year office during morning tutor time.

Tools for Learning that have been purchased online via parentpay should be collected from main reception.

Used Pen Recycling

We are continuing our pen recycling initiative and there is collection point in the Head of Year office. Thank you to all the students that used this collection point last term.

Stamp Collection

Mrs McCrorie still continues to collect used stamps for guide dogs. If you could kindly save all used stamps we have a box provided in the Head of Year office where students can place them. Many thanks.

Face Masks, Social Distancing and Hand Cleanliness

Thank you for ensuring that your child has a face mask with them at school as it is compulsory they are worn in all school corridors. We need to keep protecting each other with this, together with frequent hand washing and sanitising and maintaining a social distance.

Your continued support at this challenging time is much appreciated.

Water Bottles

The weather may be turning but it is still important that students stay hydrated throughout the day. You can buy Brakenhale water bottles from school or bring in a reuseable bottle from home. Single use plastic cups are no longer available in school.

PE Kit and other items

Students should remember to bring their PE kit and any other items needed for the day, including timetables and subject specific items. Getting into the habit of preparing uniform and school bag the night before is a really good idea to keep students organised.

School Uniform

Please remember that bright coloured hair bands, rolled skirts or blazers, frilly and non-black socks are not permitted.

Cycling to School

A cycle permit is required to enable students to ride into school. Any students riding to and from school are required to wear a helmet for the duration of this journey and in addition the bike used must be considered safe to ride on the public highway – please email the main reception if you require a link to our application form. Any student seen not wearing a cycle helmet to and from school will be sanctioned within 10 minute after school detention.

Please note electric scooters are not permitted on the school site.

Road Safety

Please ensure that you discuss road safety with your child and ensure that they are familiar with their route to school. Students must be aware that there are underpasses surrounding the school and students must use them and must not cross the dual carriageway which is extremely dangerous.
