## Year 7 News

**Friday 1<sup>st</sup> December 2017**

Dear Year 7 Students

There were many positives last week, one of my personal highlights came with so many of you helping at the Christmas Market. Building a giant Christmas pudding, making your own Christmas cards, it was fantastic! Remember you can use this for your PiXL Edge.

This week also saw the year 7 house competition. There are a huge number of sporting stars amongst you. We hope to see this positive attitude continuing. Remember you can join and take part in the many extra-curricular activities being run after school.

We have two weeks left and it is so important you are all bringing in all tools for learning! Remember your glue sticks and calculators, we will be checking them next week!

May I remind you of the importance of attendance. We are currently at 97.1%, we have to aim for 97.5%! A big well done goes to 7H last week with attendance at 98.7%, who is going to beat them this week!

There are a number of upcoming events including the variety show on Monday 4<sup>th</sup> December. We look forward to seeing some of you starring in it. The following week we have the Music show on Monday 11<sup>th</sup> December from 18.00-20.00. Don't miss your chance of getting a ticket!

Literacy and numeracy are so important and we would like to feature articles by students (another activity you can complete for PiXL Edge). I have included a Sudoku which you can complete to earn house points. We would also love for any book/magazine or game reviews which we can include in our weekly newsletter.
