## Year 11 News

**Friday 5<sup>th</sup> January 2018**

Dear Year 11 Students

***Welcome back!!***

We would like to begin by wishing you a very Happy New Year.

Year 11 has had an incredibly positive start to the new term. You have returned with the same positive attitude that you finished on and have maintained the high standards that we are accustomed to.

This morning, we had our results assembly for the first PPE session of Year 11. There were many happy faces and success stories and you should be feeling proud of what you did achieve. If you are not content with some of your results, however, then now is the time to do something about it: Talk to your teachers; push yourself to engage in feedback lessons and get on top of your revision! Remember to use Get Revising to help organise your revision timetable.

A part of all of this is, of course, your attendance at school; last term we just fell short of the school target with a total attendance of 94.4%- this term we can do better! In your new planner, you will find some tools to help you manage your attendance. Remember, an attendance rate above 95% will give you the best possible result!

On Wednesday morning, we had assembly with Mrs Coley who gave us advice on dealing with change. Over the next few months, you will be faced with many new situations- always put your best foot forward, embrace the change and ask for help if you are struggling. We are all here to help!

A special mention has to be given to Mr Benson: as you all know, he is on Paternity Leave at the moment. He is enjoying spending time with his new daughter Phoebe Elizabeth but do not worry, he is still checking in to see how you are all doing! In his absence, you have been placed in the capable hands of myself and Mr Beukes- do not hesitate to come to us if you need anything.

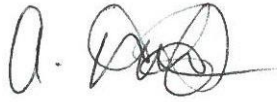

A final reminder that the permission slip and deposit for Prom needs to be on Monday 8<sup>th</sup> January.

*High Expectations and Challenge for All*
