Year 10 News

Friday 12th January 2018

Dear Year 10 Students

As a Year Group, you have been absolutely brilliant this week. That is not saying that everything has gone smoothly, there are 180 of you after all. It is that when something has gone wrong, you have accepted responsibility for the role you have played, shown respect, empathy and growth. It is true, you don't learn much by getting everything correct all of the time but it is critical you learn from your mistakes. :)

Attendance is below our target again this week which is disappointing. If you are feeling under the weather, make sure you are getting that VitHit and keep active. because having a good exercise routine and a balanced diet is paramount for a healthy body and mind. If you have a cold, pack some tissues and paracetamol and get yourselves into school. This year is too important for you to fall behind and you are all resilient enough to handle it.

We are so lucky that the PE department have such strong relationships with the local community and schools in the area. It is because of this that 16 of our best Sports Leaders are off to support and help run an event today and next Friday. Keep up the good work, make yourselves and the school proud.

In PSHE we got your political minds racing. As I walked around I could here loads of great discussions occurring about politics and the wider world. As PSHE is a compulsory part of your education it is important to take these lessons seriously. Your tutors do a wonderful job delivering them and I know that you gain life skills from these lessons that will be really important once you begin your lives outside of school.

Great job once again this week. Have a lovely weekend

Kind regards
