## Year 8 News

**Friday 12<sup>th</sup> January 2018**

Dear Year 8 Students

Another good week for the year group, despite the miserable weather!

Mr Gibson's assembly on Monday helped to reinforce Mrs Coley's start-of-term message of being aware of and embracing change. The video about the rapid change in the use of technology really was very thought-provoking, and clearly showed that we live in a revolutionary age in terms of how we interact with the world around us. Your PSHE lesson this week also put into perspective the fact that we live in a part of the world where that revolution is most noticeable. We should be grateful for that, but also be mindful of global issues and respectful of the chances and changes we experience.

A final reminder that it is Parents' Evening on Thursday. It's not too late for your parents to make appointments online. If there are any issues with doing this, make sure your tutor is made aware as soon as possible. The 'Book Look' will start on Monday, so be prepared to take your books home to show off your wonderful work. Please see the link below for Parents' Evening appointments:

Finally, we hope all those who went on the Aberdovey trip had a wonderful time. We know for a fact that you had an amazing experience climbing and camping on top of Cadair Idris (link to a twitter post below). Well done, you! Do share your experiences next week!
