## Year 7 News

Friday 2<sup>nd</sup> March 2018

Dear Year 7 Students

Quote of the week:

***"Sometimes the strength within you is not a fiery flame that all can see, it is just a tiny spark that whispers softly, "you got this", "keep going"" – Any Lengths.***

What an exciting week. I can't even remember the last time there has been this much snow in Bracknell. We do hope you stay safe out there and are wrapping up warm. To support you during the last couple of days staff have set work on Showmyhomework. Please do check it as there is plenty of work for you to do be doing. We would also like to apologise and draw your attention to the change in date of the year 7 parents evening. It has been rescheduled to Thursday 10<sup>th</sup> May.

When we are back please may we remind you to be wearing a warm black coat. If you do not have one the school uniform shop stocks them.

The attendance last week was won by 7R with a whopping 99%, only 1% off being perfect! Please may we remind you of the importance in attendance and the direct link between achieving good grades and good attendance in school.

This leads me to the quote above. It is that drive that makes us do well. You just have to look around and see others who look like they have succeeded but it is the hard work and their drive which has got them to where they are now. Remember success in life is a journey and it is the determination to succeed that gets you there! This journey starts now with getting a good education and ensuring you are ready to learn and are in school as much as you can to allow you to achieve the best possible grades.

We hope you have a good weekend and look forward to seeing you all on Monday.

Regards
