Year 11 News

Friday 18th May

Weekly Attendance: 96%

Dear Year 11

The countdown is OVER!

Week 1

Week 1 is over! Well done to everyone on getting started!

Another massive week coming up. Make sure you are prepared and that you use your revision time effectively. From wandering around, and teaching my own classes, I can see the great work ethic you all have at the moment to get yourselves ready.

Remember, every exam you take is another one down!

The half term revision session list has been published and is attached to this newsletter. These are great opportunities for a little extra revision.

Lastly, as ever, it's not too late to ask for help if there's something you need us for.

Keep going!

As always, if you have any questions or concerns please get in touch.
