Year 9 News

Friday 22nd June 2018

Dear Year 9

As Standard's Week draws to a close, a large number of you have received golden slips and house points for your positive involvement and contribution both in your classes and around the school site. Well done to you all and well done particularly for the high standards of your uniform which was praised by Mr Hartley. Despite the fact the year is drawing to a close that does not mean that our standards should slip and you have really shown this week that they are as high as ever. This should also be the same for equipment – ensure you come to school every day with all your Tools for Learning as it means you have a positive beginning to every lesson as you are immediately ready to learn.

You have had your house assemblies this week in preparation for Sports Day on Wednesday 11th July (weather depending). This gave you a chance to sign up for one of the track or field events on the day which includes sprints, relays, shotput, javelin, welly throw and more. This is a good opportunity to get involved and win points for your house – all of which will be added to the house points people have been receiving all year – to decide the winning house at the end of the year. You should also be wearing your house badge on your uniform to support your house and show that you are proud of it.

As the time for the Year 11s and Year 13s now comes to a completion, the Year 10s will sit down in the Sports Hall on Monday morning for their first GCSE PPE exam; exams which will continue over the next fortnight. So this is a reminder of how close your GCSEs are – your learning and your efforts with homework should reflect this at all times. And again to remind you that you will be sitting your own PPE in RS on Wednesday 27th June – **NEXT WEDNESDAY** – so you should spend time over the weekend revising and preparing for this.

Well done for your continued good behaviour in and around the school site as the building works proceed – don't forget that if you are down on the field for break or lunch, you need to move as quickly as possible towards your lessons to ensure you arrive before the second bell.

Have a lovely weekend, see you all on Monday morning.

Best wishes

Miss D O'Brien
Assistant Head of Year 9
