

SHAKESPEARE IN ACTION

WEEK EIGHT

Targets met:

- ✓ Hope's warm up
- ✓ ending the piece effectively with dance drama – cyclical structure
- ✓ Bringing the Elizabethan era to the present day

3 weeks until the performance 😊

Monday the 16th of July, 6pm
in the drama studio

Please note next week has been rescheduled for Monday 25th. There will be no rehearsal on Wednesday due to a staff meeting taking place.

On Monday, I am hoping lines are learned and costumes are in place. We want to use next Monday as a dress rehearsal.

Please see me if you need any help with this.

We were light on the ground today but wow the energy did not decrease! Thank you for all your hard – I can't wait for the performance – keep up the hard work 😊

Time will soon fly by and this will be but a memory...

We started with a warm up. Well done to Hope.

We have decided to end with a dance drama and a happy, positive note. We want to highlight Shakespeare's message within the play and we thought creating a cyclical structure will help with this.
