

8th January 2019

Dear Parent/Carer,

Your child is due to have their Tetanus/Diphtheria/Polio & Meningitis ACWY immunisations in the spring term 2019.

Please find attached your information pack which explains all about these immunisations.

Your child will be given a hard copy consent form via their school for these immunisations. The person with parental responsibility must complete, sign and return the form to the school within one week to enable the immunisation team to follow up on any queries.

Those pupils in year 9 who, according to our records have an incomplete history of receiving Mumps, Measles and Rubella (MMR) vaccines, will be sent a MMR consent form to their home address which will arrive in a brown envelope. For your information, two doses of the combined (not singular) MMR vaccine are required to complete the course.

If you have any queries, please contact the immunisation team for the locality that you child attends school in.

East Berkshire School Aged Immunisation Team (Slough/RBWM/Bracknell Forest) **Telephone: 01753 636759**

Kind Regards,

Amber Doughty
Immunisation Administration Co-Ordinator
