Year 10			
Theme	Applying	Work experience	Work experience
Name	CV writing	Preparing for interviews	How to behave in the workplace
Description	Three shorter Unifrog sessions will help students understand the elements of a CV and how to make a great one. These sessions end with students creating a CV and getting/giving feedback to peers.	Prepare students for the interview process by running these sessions. Introduce them to the basics of interviews before taking a more in-depth look at interview questions. Students practise answering commonly asked questions with a fun board game activity!	In these sessions, students will become familiar with common health and safety signs and procedures, as well as understand appropriate behaviour in the work place in preparation for work experience.
