Year 13			
Theme	Exploring	Applying	Applying
Name	Final university shortlists	Assessment centres	Confirmation of choices on UCAS and Unifrog
Description	Students should identify their five course choices and add them to their Applications List. Please note: As well as confirming/declining offers on the Unifrog platform, students must also log into UCAS Track website to confirm their choices with the universities involved. This is not done automatically when students record their decisions in the Applications list tool.	Give students a heads-up about what happens at assessment centres as part of the recruitment process.	Students confirm their firm and insurance places in their Applications list. Please note: As well as confirming/declining offers on the Unifrog platform, students must also log into UCAS Track website to confirm their choices with the universities involved. This is not done automatically when students record their decisions in the Applications list tool.
