5	Designated Area	110
6	Sibling	0
7	All other children	0
	Total Number of Places Allocated	210

- Where there are an equal number of applications in one category the radial distance from the applicants home address to Brakenhale School has been used to separate applications.
- Brakenhale School Admissions Arrangements can be found within: [The Guide to Secondary Education 2021/22](#)

The following information is based on the initial allocation at 1st March 2021 of applications received by the deadline of 31 October 2020. The information provides you with a statement on how places were allocated in line with the published admissions arrangements at Brakenhale School.

Admissions Number	Information regarding the allocation
210	The school was fully allocated. Places were offered down to those applicants who fulfilled criterion 5 (children who live in the designated area of the school) to a distance of 0.693 miles from the school according to the radial distance policy listed below. There were insufficient places for the 71 remaining designated area applicants and all combination of categories ranked below this, These applicants have been placed on a waiting list.

Brakenhale School – Admission Criteria 2021/22

Priority 1: Looked After Children or children who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

Priority 2: Children who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why attendance at this school rather than at any other, and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school. Parents must complete the schools Social and Medical form (in addition to the CAF), which can be found on the schools website www.brakenhale.co.uk The Social and Medical Form must be supported by relevant written evidence on letter headed paper from a Doctor, Social Worker or Borough School Attendance Officer, which will be assessed by the Greenshaw Learning Trust's Admissions Committee against the set criteria. (Refugees and Asylum Seeking children may be included under this criterion, depending on individual circumstances.) All documentation must be submitted to the Local Authority. Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Admission Authority may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application. However, in any event all relevant evidence must be submitted before the closing date to ensure full consideration.

Priority 3: Children of permanent staff where:

- The member of staff has been employed at Brakenhale School for two or more consecutive years; or
- The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage

In order of the proximity of their home address to Brakenhale School, with the closest having the highest priority, measured using direct distance calculations within a computer system. The measurement of each distance is calculated using Pythagoras' Theorem. The way in which this is done is to calculate the distance in metres between the Easting and Northing co-ordinates for each location. The measurement in metres is then multiplied by 0.000621318 to convert this measurement to miles. The same method of calculation is used for each direct distance measured.

Priority 4: Students who live in the designated area of the school and who have a sibling at the school, up to and including Year 13, at the time of admission. Children must be living in the designated area at the closing date of **31st October 2020** to be considered under this criterion. Maps showing the designated area of a school are available to view on the Bracknell Forest website, at the school, at the main Bracknell library or at a council office upon request. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent/carer's partner, and in every case, who is living as part of the same family unit at the same address, Monday to Friday. Where a sibling is in Year 11 or Year 12 at the time of application, they will be deemed as being in the school at the time of admission, unless the parent has specifically expressed that they will not be continuing into the following academic year.

Priority 5: Students who live in the designated area of the school. Students must be living in the designated area at the closing date of **31st October 2020** to be considered under this criterion. Maps showing the designated area of a school are available to view on the Bracknell Forest website, at the school, at the main Bracknell library or at a council office upon request.

Priority 6: Students who have a sibling at the school outside of the designated area, up to and including Year 13, at the time of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, who is living as part of the same family unit at the same address, Monday to Friday. Where a sibling is in Year 11 or Year 12 at the time of application, they will be deemed as being in the school at the time of admission, unless the parent has specifically expressed that they will not be continuing into the following academic year.

Priority 7: The remaining places will be offered on the basis of proximity to the Brakenhale, measured using direct distance calculations within a computer system. The measurement of each distance is calculated using Pythagoras' Theorem. The way in which this is done is to calculate the distance in metres between the Easting and Northing co-ordinates for each location. The measurement in metres is then multiplied by 0.000621318 to convert this measurement to miles. The same method of calculation is used for each direct distance measured.

Where two or more applicants share priority for a place, e.g. where two children live equidistant from the school, and where there is only one place remaining, the child to be allocated will be selected by the drawing of lots. Lots will be drawn by a senior officer of The Greenshaw Learning Trust who is independent of the school admissions process.

Where a parent applies for entry into the same year group for more than one child and it is not possible to offer a place to all of them, the names of the children who were unsuccessful will be added to the waiting list in accordance with the published admission criteria, in the same way as for other children.
